

1000L Tipping Bin (with release mechanism)

- These heavy duty tipping bins are ideal for heavy waste including metal, timber and building site rubble
- The tipping release mechanism is activated by the forklift operator pulling the pull cord from the drivers seat - the custom built shock absorber prevents impact forces being transmitted to the forklift when emptying
- Finish: Galvanised
- Capacity: 1100L
- Overall Size (LxWxH): 1625x1140x1005mm

ABOUT MHA PRODUCTS

At Manual Handling Australia (MHA), we have the largest range of manual handling and workplace materials handling equipment in Australia. This includes thousands of workplace and storage items suited to every workplace and lifting equipment and trolleys for almost every application. Our products aim to eliminate or reduce manual handling effort in the workplace, while boosting productivity and ensuring workplace safety.

MHA has over many years spent countless hours on product development and sourcing to ensure we can get products to make your workplace not only safer but more efficient.

MHA sources products from all over the world and sells them direct meaning there is no middle man or middle margin added giving you the best possible price and faster service. We also offer customised solutions with trolleys, lifters and many other materials handling equipment to ensure you have the perfect product to improve the safety and efficiency of your workplace.

MHA is dedicated to providing you with the highest quality products at the best possible price, with the best possible service. With a long and trusted reputation in the industry, MHA is a name you can rely on.
