

Steel RUT Shelving

This steel shelving is roll formed from premium pre-painted steel to ensure durability and engineering integrity for both office and warehouse storage applications

Its design flexibility makes it ideal for integration into diverse environments ranging from industrial warehouses and storerooms, through to libraries, museums, retail outlets and offices

Our steel shelving is a bolted construction which forms a strong, stable storage unit that can be easily extended, re-configured or relocated as storage needs change over time.

- Can be configured individually, side-by-side and back-to-back
- Shelf sets come standard with 4 adjustable shelves plus a top and bottom shelf, each with a 100kg load rating (top and bottom shelves are fixed)
- Standard Colour: Light Grey (Beige colour available on request)
- 5 year guarantee
- Item comes flat packed – easy assembly
- **Installation available – contact us for a quotation**
