

ERGONOMIC MODULAR WORKBENCHES

1800 SERIES

Keep it Simple or Fully Accessorise

All accessories are sold separately with a vast range of configurations available to suit just about any application.

Enhancing Workplace Storage & Organisation

Different Shelving choices with optional dividers to improve organisation. Available in either half or full lengths

Slide Out Shelving

Slide out Keyboard & Printer Shelves can be tucked away when not in use, promoting a compact design

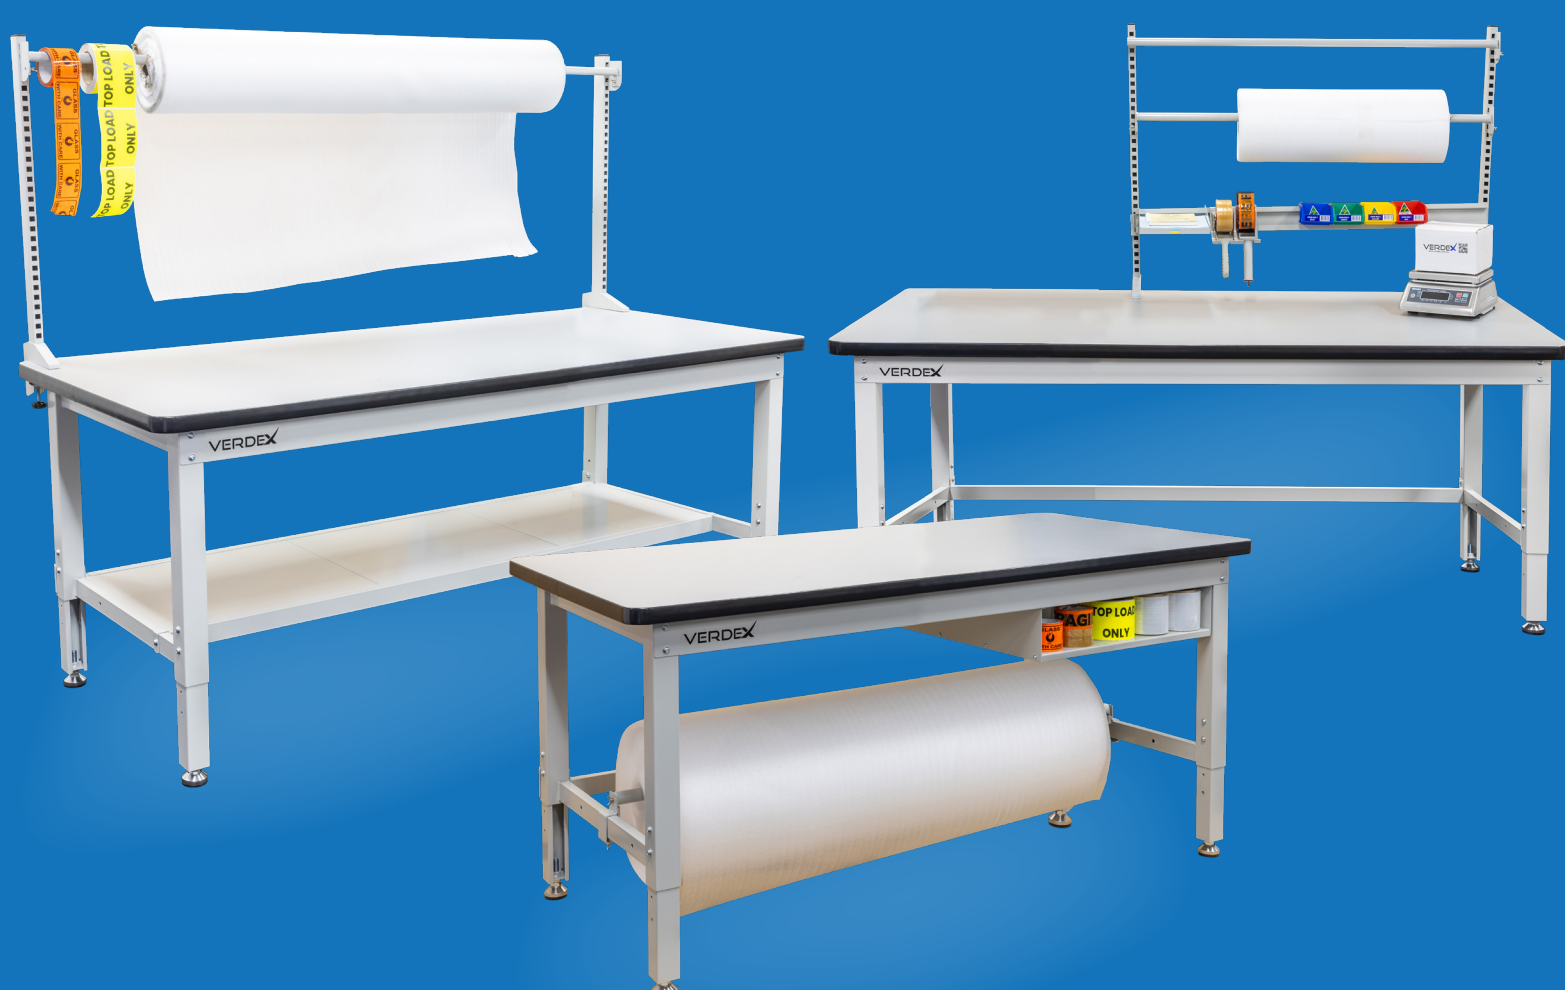

Lockable Cabinets

Heavy duty industrial drawer or cabinet units available. Option of 2, 3 or 6 slide out drawers with all drawers supplied with adjustable dividers. Cabinet unit features a swing door with one shelf. All units are lockable for added security.

Roll Holders Perfect for Packaging

Roll Holder attachments are suitable for tapes, labels, plastic wraps etc. Half length or full length options are available. Please note that all accessories which sit above the benchtop require upright panel beams to attach to.

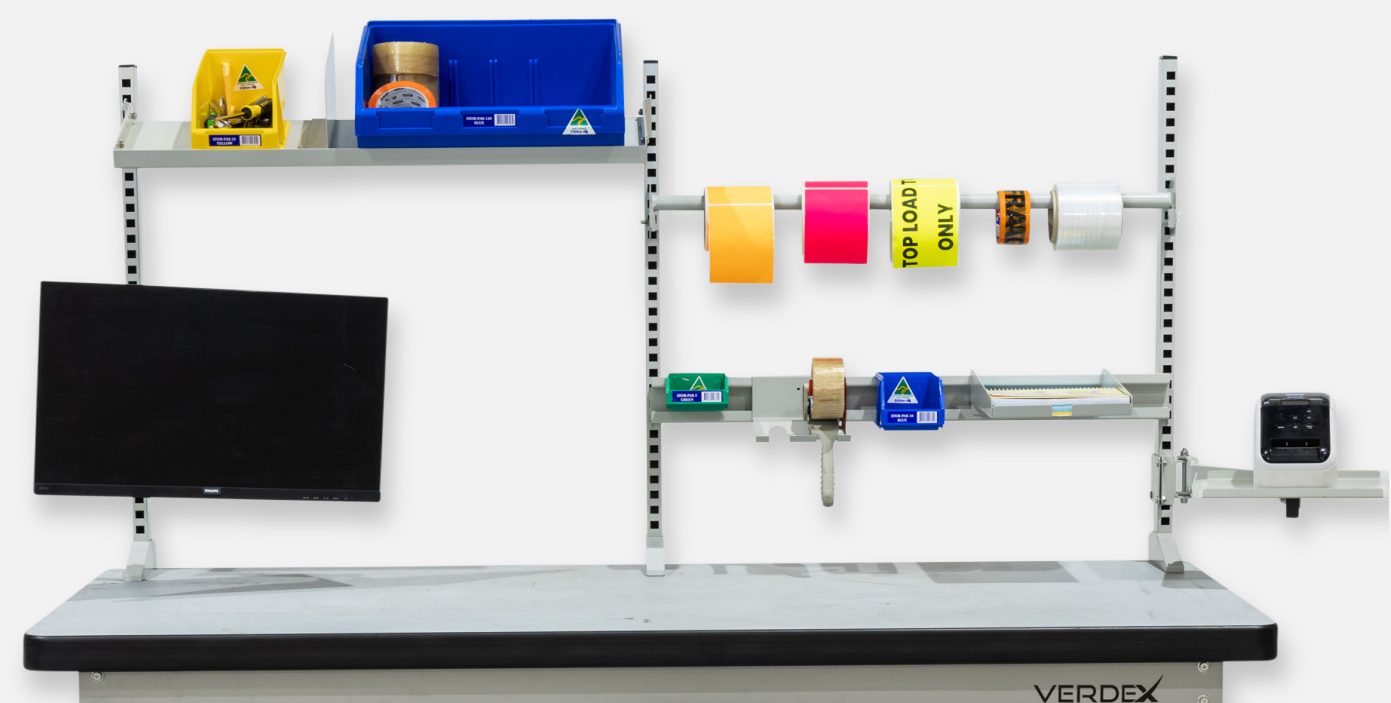

Tool Bin Rails & Reversible / Tilting shelves

Ideal attachments for providing extra storage. Both options are available in half & full lengths with optional dividers to suit the Reversible Shelf. Please note that all accessories which sit above the benchtop require upright panel beams to attach to.

Add-on Attachments

Smaller accessories to be attached to existing shelves & beams. Excellent way to minimise clutter on the benchtop & increase efficiency. Choice of Shelf Dividers, A4 Document Holders, Monitor & Label printer arms & Tape Dispenser Holders. Please note these accessories will require back panel beams or shelves to clip onto, depending on your application.

Castor Kit with Brakes

Optional Work Bench Castor Kit includes 4 Swivel Castors with Brakes. Castor Kit features 50mm Nylon swivel wheels & has a capacity of 1000kg.
