

## Portable Highline Belt Post Barrier

Highline is our most popular portable post and base belt barrier. The moulded rubber base is covered with a 304 grade spun stainless steel skirt for a high quality finish. The non-marking rubber base is gentle on floors and makes the post extremely stable.

### Specifications

- Base: Moulded rubber with stainless skirt
- Portable freestanding
- Retractable 2 metre 4-way

Code	Details	Height (mm)	Base Size (mm)	Colour	Unit Weight (kg)

## ABOUT MHA PRODUCTS

At Manual Handling Australia (MHA), we have the largest range of manual handling and workplace materials handling equipment in Australia. This includes thousands of workplace and storage items suited to every workplace and lifting equipment and trolleys for almost every application. Our products aim to eliminate or reduce manual handling effort in the workplace, while boosting productivity and ensuring workplace safety.

MHA has over many years spent countless hours on product development and sourcing to ensure we can get products to make your workplace not only safer but more efficient.

MHA sources products from all over the world and sells them direct meaning there is no middle man or middle margin added giving you the best possible price and faster service. We also offer customised solutions with trolleys, lifters and many other materials handling equipment to ensure you have the perfect product to improve the safety and efficiency of your workplace.

MHA is dedicated to providing you with the highest quality products at the best possible price, with the best possible service. With a long and trusted reputation in the industry, MHA is a name you can rely on.
