

Ezi- MT Manual Bin Tipper

The Ezi-MT bin tipper solves the problem of lifting wheelie bins and is designed for low volume, light duty applications.

With 65kg capacity, the Ezi-MT is a perfect bin lifter for small businesses, schools, cafes, offices and local councils.

The Ezi-MT is an economically-priced bin-tipper that takes the strain out of emptying bins, and makes it a safe and easy operation.

With the reliable and economic Ezi-MT there is no longer an excuse, safety no longer costs - it pays!
