

## Heavy Duty Longspan Parts Shelving

- This heavy duty longspan shelving system is a strong and versatile shelving system, which is similar to pallet racking just in a smaller profile, which is great for storing small parts and archives.
- This system is supplied standard with 9 adjustable shelves with 16mm MDF shelves
- End frames are supplied assembled for quick and easy setup
- Step beams so that the shelves sit flush inside the beam
- Supplied complete with;  
20 parts trays IH-025 (400x200x100mm LxWxH)  
44 parts trays IH-017 (400x100x100mm LxWxH)

## ABOUT MHA PRODUCTS

At Manual Handling Australia (MHA), we have the largest range of manual handling and workplace materials handling equipment in Australia. This includes thousands of workplace and storage items suited to every workplace and lifting equipment and trolleys for almost every application. Our products aim to eliminate or reduce manual handling effort in the workplace, while boosting productivity and ensuring workplace safety.

MHA has over many years spent countless hours on product development and sourcing to ensure we can get products to make your workplace not only safer but more efficient.

MHA sources products from all over the world and sells them direct meaning there is no middle man or middle margin added giving you the best possible price and faster service. We also offer customised solutions with trolleys, lifters and many other materials handling equipment to ensure you have the perfect product to improve the safety and efficiency of your workplace.

MHA is dedicated to providing you with the highest quality products at the best possible price, with the best possible service. With a long and trusted reputation in the industry, MHA is a name you can rely on.
