

3 Tier Convertible Trolley

- The 3 Tier Convertible Trolley is one of a kind.
- It can be configured with over 6 combinations to suit multiple applications.
- The middle and top shelves are reversable, meaning you can have the smooth side up. If you require a tray, simply flip the shelf.
- These shelves can also be mounted flat, sloping forwards or backwards.
- The 3 tier trolley has quality castors for smooth as well as effortless moving, fitted with a foot release braking system.
- Mesh Size: 50x50mm
- Powder coated finish
- Rubber castors – 2 x swivel, 2 x fixed castors

ABOUT MHA PRODUCTS

At Manual Handling Australia (MHA), we have the largest range of manual handling and workplace materials handling equipment in Australia. This includes thousands of workplace and storage items suited to every workplace and lifting equipment and trolleys for almost every application. Our products aim to eliminate or reduce manual handling effort in the workplace, while boosting productivity and ensuring workplace safety.

MHA has over many years spent countless hours on product development and sourcing to ensure we can get products to make your workplace not only safer but more efficient.

MHA sources products from all over the world and sells them direct meaning there is no middle man or middle margin added giving you the best possible price and faster service. We also offer customised solutions with trolleys, lifters and many other materials handling equipment to ensure you have the perfect product to improve the safety and efficiency of your workplace.

MHA is dedicated to providing you with the highest quality products at the best possible price, with the best possible service. With a long and trusted reputation in the industry, MHA is a name you can rely on.
