

Mesh Cage Trolley with Drop Down Gate & Lockable Lid

- The Mesh Cage Trolley with Drop Down Gate is typically used in industrial areas and warehouses to transport and store items securely.
- The Drop Down Gate feature allows for easy access to the contents of the trolley while the lockable lid ensures that items inside are protected.
- This type of trolley is particularly useful for moving and storing valuable or sensitive items, such as electronics or fragile goods, as well as hazardous materials or equipment that require additional security measures.
- The Lockable Lid also helps to keep content inside the trolley secure during transport, which is essential when the trolley is travelling over rough terrain.
- Half Drop Down Gate (Removable)
- Lockable Lid (Padlock not included)
- 125mm Rubber Castors: 2 Fixed, 2 Swivel with brakes
- Optional 200mm Flat Free Wheel Kit & Floor Lock
