

## Super Low Profile Lift Table

- These lift tables achieve a super low closed height, eliminating the need for a pit installation
- The upper platform is fitted with a safety perimeter to prevent descent on contact with obstructions
- 24v control unit with up/down buttons & emergency stop
- Power supply is AC 415V/50HZ/3phase
- The external power pack is equipped with a relief valve against overloading and a compensated flow valve for controlling lowering speed
- Safety valve which stops the table collapsing in the event of a burst hose
- Load Capacity: 1500kg
- Platform Size (WxL): 1200x1270mm
- Lifting Range: 35–800mm
- Overall Size (LxWxH): 1850x1850x350mm
- Unit Weight: 380kg

24v controller with up/down buttons & emergency stop. Sits at 900mm above ground

35mm low platform allows easy pallet truck entry

## ABOUT MHA PRODUCTS

At Manual Handling Australia (MHA), we have the largest range of manual handling and workplace materials handling equipment in Australia. This includes thousands of workplace and storage items suited to every workplace and lifting equipment and trolleys for almost every application. Our products aim to eliminate or reduce manual handling effort in the workplace, while boosting productivity and ensuring workplace safety. MHA has over many years spent countless hours on product development and sourcing to ensure we can get products to make your workplace not only safer but more efficient.

MHA sources products from all over the world and sells them direct meaning there is no middle man or middle margin added giving you the best possible price and faster service. We also offer customised solutions with trolleys, lifters and many other materials handling equipment to ensure you have the perfect product to improve the safety and efficiency of your workplace.

MHA is dedicated to providing you with the highest quality products at the best possible price, with the best possible service. With a long and trusted reputation in the industry, MHA is a name you can rely on.
