

1000kg Hi-Lift Pallet Trucks – Stainless Steel

- Great for lifting skids and pallets with no bottom rail
- Extremely easy to pump and light weight
- Quick-lift as standard with automatic transfer to normal lifting loads over 150kg
- Automatic descending speed control, regardless of load
- Front support legs and adjustable stabilisers ensure maximum stability
- Heavy duty design
- Conforms to EN 1757-4
- Not suitable for closed pallets with a bottom rail
- 316 grade stainless steel – all parts are made from stainless steel including the hydraulic pump, fork frame, handle, push rod, bearings, pins and bolts etc
- For use in the food and pharmaceutical industries or other industries where corrosive acids are used
