

2 Tread Step Ladders

- Reach up to high cupboards or top shelves easily and safely with these folding step stools.
- Constructed from strong and durable steel, these steps will provide a stable and secure platform to help you or your staff access those hard-to-reach areas.
- With 240mm between each step, these versatile step stools can be used to reach a variety of storage areas. When not in use, they are fully foldable for easy and convenient space-saving storage.

Code	Load Capacity (kg)	Folded Length (mm)	Overall Size HxWxD (mm)	Unit Weight (kg)
