

Steel & Plastic Drum Trolley

- These drum trolleys are ideal for transporting both steel and plastic drums and are available in solid wheel and pneumatic wheels for rough and uneven ground
- This trolley is also self-standing which means the operator can leave without drums falling over
- Solid Wheels: 250mm front, 75mm castors on the rear
Pneumatic Wheels: 400mm front (no rear castors)

Code	Details	Load Capacity (kg)	Overall Size LxWxH (mm)	Unit Weight (kg)

ABOUT MHA PRODUCTS

At Manual Handling Australia (MHA), we have the largest range of manual handling and workplace materials handling equipment in Australia. This includes thousands of workplace and storage items suited to every workplace and lifting equipment and trolleys for almost every application. Our products aim to eliminate or reduce manual handling effort in the workplace, while boosting productivity and ensuring workplace safety.

MHA has over many years spent countless hours on product development and sourcing to ensure we can get products to make your workplace not only safer but more efficient.

MHA sources products from all over the world and sells them direct meaning there is no middle man or middle margin added giving you the best possible price and faster service. We also offer customised solutions with trolleys, lifters and many other materials handling equipment to ensure you have the perfect product to improve the safety and efficiency of your workplace.

MHA is dedicated to providing you with the highest quality products at the best possible price, with the best possible service. With a long and trusted reputation in the industry, MHA is a name you can rely on.
