

Galvanised 2 Drum Spill Bin

- The M7581 Spill Bin provides complete protection against costly and environmentally damaging chemical spills from leaking drums.
- Suits 2 x 205 litre drums
- Close spacing support bars allows direct placement of large or small drums
- Fitted with a drain plug to empty the containment area
- Elevated base allows transport by forklift or hand pallet jack
- Steel fabricated, non-flammable unit
- Provides a spill capacity exceeding Australian Standards for 'portable' units
- Long life galvanised finish

Code	Capacity (kg)	Overall Size LxWxH (mm)	Spill Capacity (L)	Unit Weight (kg)
