

Instrument/Table Trolley (with high base)

The Instrument/Table Trolley (with high base) is a premium material handling solution designed for environments where hygiene and precision are critical. Constructed from sterile 304-grade stainless steel, it meets the strict cleanliness needs of sensitive areas. Ideal for medical, food preparation, and laboratory settings, this trolley features a removable tray, heavy-duty rubber castors, and a unique telescopic height adjustment, making it a highly ergonomic and dependable asset.

- 304 grade stainless steel construction
- Rubber castors – 2 x swivel, 2 x swivel with brakes
- Castors: 75mm
