

Configurable Full Height Lockable Cage with Shelves and Stacking Roof

The Configurable Full Height Lockable Cage with Stacking Roof provides a versatile and secure way to store and transport materials across demanding work environments. Built from high-strength zinc-plated steel, it combines durability with flexibility through its configurable internal layout and stackable roof design. Dual half-height doors open 270° for full access, while the Safe Working Load (SWL) of 1000kg ensures reliable performance under heavy use.

- Material: Steel
- Finish: Zinc Plated
- Load Capacity: 1000kg
- 270 Degree Swing Door
- Lockable
- 4 Fork Entry
