

## 500L Drop Bottom Bin (Solid Sides)

Designed for maximum efficiency, the Drop Bottom Bin simplifies waste storage and disposal with its innovative drop-bottom base. This feature allows for swift and complete emptying into larger containers or trucks, while the base securely locks when the bin is lowered back onto the ground.

- Drop-bottom construction enables fast, thorough waste discharge and removal
- Fabricated from heavy-duty 3mm reinforced steel for durability across various waste types
- Easily transported using forklifts or overhead cranes
- Pull cord release system permits safe operation from the forklift driver's seat
- Built-in shock absorbers reduce impact forces on handling equipment during unloading
- Features forklift pocket crane lugs for easy lifting
- Finished with a blue enamel coating for enhanced durability
