

Concrete Kibble (1 Cubic Metre)

The Concrete Kibble is designed for safe and controlled concrete placement, featuring a robust steel build and forklift pockets for easy on-site handling. Finished in durable blue enamel, it's ideal for use across construction, civil works, mining, infrastructure, and large-scale commercial projects. It ensures reliable performance and efficiency where precision concrete handling is essential.

- Steel construction
- Powder coated blue finish
- Gate opening: 380mm diameter
- Filling height: 1320mm
