

4 Wheel Plastic Wheelie Bins

(available with stainless steel foot pedal)

- These wheelie bins are supplied with a front set on wheels which save the need of having to tilt the bin backwards to move it – also great for when the bin handles are up against the wall which means you can pull the bin forward to move using the rear handles
- These wheelie bins come with either a foot pedal operated lid which avoids touching the lid when disposing of waste or without the foot pedal
- Foot pedal system is made from stainless steel
- Manufactured from high density polyethylene
- Resistant to decay, heat, frost, chemicals and UV rays
- Bins can be ordered in separate colours to the lid colour (eg, red bin with blue lid)
- Other custom colours and sizes can be made to order

See this product on page 226 of the MHA catalogue

ABOUT MHA PRODUCTS

At Manual Handling Australia (MHA), we have the largest range of manual handling and workplace materials handling equipment in Australia. This includes thousands of workplace and storage items suited to every workplace and lifting equipment and trolleys for almost every application. Our products aim to eliminate or reduce manual handling effort in the workplace, while boosting productivity and ensuring workplace safety.

MHA has over many years spent countless hours on product development and sourcing to ensure we can get products to make your workplace not only safer but more efficient.

MHA sources products from all over the world and sells them direct meaning there is no middle man or middle margin added giving you the best possible price and faster service. We also offer customised solutions with trolleys, lifters and many other materials handling equipment to ensure you have the perfect product to improve the safety and efficiency of your workplace.

MHA is dedicated to providing you with the highest quality products at the best possible price, with the best possible service. With a long and trusted reputation in the industry, MHA is a name you can rely on.
